A bead door is included on all glass front loading kilns in the door and is used for annealing beads or small objects. It measures 4" wide x 2" high, excluding the 1210FLE, which has a punty door that opens to the kiln's width. Please specify top or bottom hinged for front loading kilns when ordering. Guillotine Lift Option – add \$155.00 to the price of the kiln. Front loading kilns with the guillotine lift ship via freight lines. There is an \$18.00 packing charge on all UPS shippable kilns.
